Dear Parents/carers

Cladding

I am sure many of you have been having questions about the cladding used on our building after the tragic events recently. We are due a survey by the Local Authority very shortly, plus we have recently had a Fire inspection and also the cladding we have is not the same as that used for the flats. The main thing for schools is to ensure we have very strict fire evacuation procedures. We test our fire alarms every week and have fire drills at least once a term. The last drill we had was this month when the full building was evacuated within 4 minutes.

Classes for September

This is the time of year when we have to say hellos and goodbyes. Mr Finnerty will be leaving us after a number of years at the school. He is looking forward to new opportunities and we wish him well and thank him for his years of hard work and dedication. Mr Renier and Ms Briggs will also be leaving, and again we thank them for all they have done for the children. We have new teachers joining us; Mrs Tuohy, Mr Wells and Mrs Colborn will also be re-joining us.

Well Done on Our Pupils' Success The Rock Challenge dance group performed at the Northern final in Grimsby on Thursday 29th June.

We are very proud to announce that we were placed 5th out of 11 teams who had already been winners in their region. Not only that but the behaviour of the Francis Askew pupils across the very long day -from 7am until 11 pm -was outstanding. Well done to everyone who was involved either on the day, along the way to this point or back at the ranch looking after things.

Summer Fair

Friday 7th July after school,
don't forget.

Sports Days

Key Stage 2

Monday 10th July at 1.30pm weather permitting

Please make sure your child has their school PE kit (white tee shirt, black shorts) and sandshoes, a sunhat if the weather is sunny, and please apply sun cream in the morning before school. Children will be provided with a drink.

Foundation 1 (Nursery)

See nursery

Hopefully we will see you at one of our events in the next few weeks.
