- Finish Thurs 17th April
- Back Monday 24th April
- Finish Fri 26th May
- Back to school Tuesday 6th June
- Finish for Summer Friday 21st July 2017

Dear Parents/carers

We have come to the end of another school year, and what a year it has been. It doesn't seem long ago since we were inviting ex-Francis Askew pupils to look around the old school. Then we began the hard work of packing up the old school. We had our last Christmas celebrations in the old school and then embarked on the extremely tiring task of unpacking and setting up the new school, ready to open after 2 days of unpacking. Thursday, 7th January was the historic day when the new Francis Askew building opened to our pupils and parents. As you can see we are nearly there and by the time the children start back on Monday, 5th September, 2016 we should be fully open with our playgrounds ready for the children to play in. I want to thank you all for putting up with all the inconveniences that you have done and without any fuss. With every change you have all just got on with it. That has helped all of us enormously. Hopefully the next school year will be much calmer and more settled for us all.

All the children have settled well into their new classes and so have the staff. I think we are all ready now for the holidays and I hope the fine weather continues so that you can all get out and about with your families.

We wish our Year 6s all the best at their new schools and congratulate them on their hard work and achievements in their KS2 SATs.

We will look forward to seeing everyone back in school in September and please remember that any ordered uniforms will be available in the school the week before we come back. KS1 and 2 children should have brought a letter home from their Key Stage leaders explaining our rules and reward systems. It will be great to see all the children ready with their smart uniforms, sandals and PE kits ready to learn.

Once again thank you for your great support over the past year.

With regards

Mrs R Murray
