Dear Parents/carers

Many of you may know or remember Hilary Boynton who has been working in various roles at Francis Askew for over 23 years. You may know her as Miss Hilary. Hilary has decided to retire from her paid employment, however, she will still be part of the school as she is coming in to school and the

breakfast club to help with arts and crafts. She didn't want any fuss but we just wanted to thank her for all that she has done for the school over the past years.

Ms Martin in our Foundation stage will leave us at half term so that she can have a short rest before she has her baby. We wish her good luck.

Some of our parents are organising a MacMillan World's Biggest Coffee morning event on Friday 30th September 2016 in our school Hall from 10.15am to 2.15pm. You are all very welcome, there will be tea and cakes as well! All donations to the MacMillan Cancer Support charity. This is the third year the parents have done this and it is always very successful.

Hopefully, our communications will be better now. Don't forget we are on Twitter and our website as well, plus we do communicate by text so please make sure you keep us up to date with your phone number. Some key dates to remember are on the right hand side.

Attendance

We had our best attendance figure last year, 96.3%, which is better than the national figure. Thank you parents and carers for getting your children to school. We also have a very high percentage of children, over 2/3 of the school, who have 98%+ attendance and the highest 100% attenders that we have ever had. So again well done everybody.

Free School Meals

If you think you may be entitled to free school meals please ask at the office for help with the forms. This will bring money into school for your children.

Best Regards
Mrs R Murray
