## Uniform Policy

### Rationale

That all children wear the school uniform when attending the school, are representing the school, or when participating in a school organised event outside normal school hours.

### Purpose

- To promote a sense of pride in the school
- To engender a sense of community and belonging towards the school
- To be practical and smart
- To identify the children within the school
- To prevent children from coming to the school in 'fashion' wear which could be distracting and therefore disrupt learning
- To make children feel equal to their peers in terms of appearance
- To be suitable clothing for school life, and good value for money for most parents
- To be designed with health and safety in mind

### Guidelines

#### Role of Parents/Carers

We expect all parents/carers to support the uniform policy; as it is parents' responsibility to ensure children wear the correct uniform, and that it is clean and in good repair. To minimise the event of clothing being lost, all clothing must be named, so if misplaced, it can be returned. In the event of misplaced clothing, staff will label any academy uniform, unless the owner is unknown, in this event clothing will be kept for one term in 'Lost Property', at the end of the term it will be left out for parents/carers to have look at and after this it will be disposed of.
