

2018/2019

Aut1: All about me!

Aut2: Toys

All about me!

- 1) What are the main features of Hull?
- 2) Why are our senses useful?
- 3) How do we change as we grow up?

Toys

- 1) What is your favourite toy?
- 2) Why are toys made from different materials?
- 3) How have toys changed?

As writers we will...

Write and follow instructions and lists.
Write recounts about things that have happened to us.
We will explore and describe the different characters from 'Toy Story'.
Write labels and captions.

As artists we will...

Draw/sketch/paint our own portraits.
Use clay to create a famous landmark from Hull.

As geographers we will...

Learn about the different landmarks of Hull, including where we live and where we go to school.
Learn about the four countries of the UK.

As mathematicians we will...

Explore the concept of number & place value
Learn about addition and subtraction and learn some number facts from memory
Learn about the properties of 2D&3D shapes

As musicians we will...

Rehearse songs for the Christmas play.
Learn about the pulse, pitch and rhythm of music.

As historians we will...

Discover and compare Victorian toys compared to our toys today.
Learn about a significant person from our local area (Amy Johnson).

In ICT we will...

Operate and direct beebots
Use technology correctly including laptops and ipads
Learn about e-safety

In D&T we will...

Learn about a famous craft maker and design and create our own toy.

As scientists we will...

Explore the different seasons that we are in and compare them as the year goes on.
Explore different materials and why they are suitable or not suitable for different objects.
Explore how we change as we grow up.
