Some changes...

Dear Parents / Carers,

Thank you so much for your support over the last 2 weeks. The children have done an excellent job at accessing their home learning, thank you for your support with this. We have had a wonderful two days welcoming back some of our year groups and we are excited to have the full school back on Monday. To further improve the measures we are taking to keep everyone safe, we have made some changes to where **children in years 1 to 6** are picked up and dropped off. Please see picture below so that you know where to drop your child/ren off.

As you will see, year 1 and 2 have moved over to the side of the playground nearest the path. This is so that parents of our youngest children do not have to walk across the playground to meet their children, reducing crowding on the playground. Please try to avoid waiting and gathering during drop off and pick up times. This new layout will hopefully help to speed up these times of day and allow parents/carers to leave site quickly. Thank you for your support with

Please also note that the start time for year 1 and year 2 will now be 8:50am.

Thank you for wearing masks whilst on our school site, this is helping to protect our school community. Please try to avoid coming to school too early so that we do not have a lot of parents gathering at the school gate. Again, this ensures that we are reducing crowding and keeping everyone safe.

You are making great efforts to get your children to school under difficult circumstances, and we thank you for this. If you or anyone in your household or close to you, has symptoms of the virus, and or, is going for a test, you must not bring your children into school until you have the results of the test and it is negative.

Thank you once again for the support you give to the school
and to your children it is so appreciated.

With best regards
Laura Martin
