November 2020

Dear parents/carers

As you know Christmas is going to be a little bit different this year. We have sought advice so that we can make sure we keep all our community safe whilst still having a good time. We have decided that children will not bring Christmas cards into school, however, we will make sure that every child gets a Christmas card to bring home from the class postbox.

Christmas dinner will be on Wednesday 16th December. This menu will be Festive Chicken and Chips with a treat, it will be **FREE TO ALL CHILDREN**. Order this as you usually do. We will also have **Christmas Jumper Day** on this day so your child can wear a Christmas jumper and pay £1 on SchoolMoney to go to the Save the Children Fund. On the afternoon the children will take part in a Christmas Craft afternoon (sorry you cannot attend this year!). On Thursday afternoon, **17th December**, children will have a **Christmas get together** in their classes. The school will provide a party snack and drink and children will do some nice activities for Christmas. Children can wear their party clothes for this.

We will make sure that the children have a lovely Christmas to remember with many other activities for them to do. It is a real shame that we are unable to have our Christmas performances this year as I know how much you all enjoy them and we cannot even sing in school unless we do this outdoors. But Christmas is to do with enjoying each others company and a little bit of awe and wonder and Christmas magic-which I am sure we all need at the moment.

Thank you so much for helping us to keep our school and community safe-don't forget to wear a mask if you are on site and keep your distance-this will help us all to stay safe for Christmas.
