

Year1/2 Home Learning

Dear parents/carers,

In light of the recent lockdown, we are writing with regards to home learning for your child. We have worked hard this week to come up with a plan that is as closely matched to what 'usual' provision would have been if the circumstances were normal. Key worker/vulnerable children will be accessing the same learning in school. Please see below for the timetables and expectations.

Online Assignments

All home learning will be delivered through **Tapestry** in Year 1 and **Microsoft TEAMS** in Year 2. You should already be aware of how to access these, but any questions, please speak to the office who will be able to direct you to the relevant staff members for support.

Each day, children will be given 'assignments' suitable for their stage of learning. These will be set on their Tapestry account (year 1) or in the 'Assignments' Section on TEAMS (year 2). It may be that two children in the same class have different assignments but this is to ensure every child gets what they need to enable them to make the best progress in these challenging times. Lessons will be delivered through use of pre-recorded videos (some by the Francis Askew staff; others from government-approved providers).

Uploading Work

Children are to complete their work in the exercise books provided by school (further information to follow). Please then take a photograph of this work (ensuring that it is a clear picture) and upload it to the relevant assignment section on either Tapestry (year 1) or TEAMS (year 2). **Please see attached guide for help on using TEAMS assignment section.** Children will then be given feedback on their assignments.

Some lessons (such as PE and sometimes Topic) will not require work to be submitted as the lessons will be more practical. However of course if your child has done something they would like to share, please feel free to comment with any pictures in these instances too, we'd love to see your home learning in action.

Engagement

All children are expected to engage with the online assignments throughout the week. We appreciate that many parents are working from home and there may need to be some flexibility with when children are accessing the online assignments. Materials will remain on both platforms throughout the week, please aim for these to be completed before Friday at 3.30pm.

Phone calls will be made on a weekly basis to those children not submitting assignments to try to solve any problems you may be having with accessing materials. Please note this may be from a withheld/unknown number.

Year 1 Daily Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
am	Read Write Inc.	Read Write Inc.	Read Write Inc.	Read Write Inc.	Read Write Inc.
	Maths	Maths	Maths Storytime Vocab	Maths	Maths
pm	Writing	Writing	Writing	Writing	Writing
