Thank you to everyone for helping us to have a successful start to the summer term! Parents evening ran smoothly last week and our teachers enjoyed talking to you about what your children have been up to and how we are helping them to settle back in and get back on top of their learning in recent months. If you did not manage to make an appointment, please contact the front office and they will arrange this for you with your child's class teacher. We are now serving all of our hot dinners in our school hall and this is working well. Children are enjoying the hot menus and have managed the transition back from eating in classrooms really well. Packed lunches are still being eaten in classrooms to allow us to space out safely, and I am sure you would join me in thanking the support staff for looking after the children in classrooms during this time.

After school Clubs

We are so pleased to have a variety of after school clubs on the go again, within bubbles. Some are run by our staff and some are run by our sports providers. If your child is booked onto a club please make sure they attend. It is wonderful to be able to broaden and enrich our curriculum again with activities such as this.

Welcome back to Mrs

Thompson (our Y5 teacher and SENCo). Mrs Thompson returned from maternity leave after Easter and is resuming her responsibility of supporting our children with SEND. Mrs Hornby is still part of the SEN Team and will continue to support our children in key stage 2 throughout Summer term. SEN Reviews will take place this term (5th & 7th July) so please keep an eye out for a letter from Mrs Thompson.

Are you interested in being a parent governor?

We really value our parents' views and this is an ideal opportunity for you to share yours and have a direct influence on the things the school does for the children. As a parent governor you have the opportunity to make a real difference to the school (and get a 'behind the scenes' view of what and why decisions are made). The commitment is small (one meeting per term - with tea and biscuits!) but the positive difference you could make to the school is huge. Please contact the school office if you are interested and we can give you more information.

Goodbye...

We are sad to announce that Miss Barmby will be leaving us at half term. She is moving on to new adventures and we wish her all the best - though the staff and children will all miss her!

Is your child meeting our GREEN STANDARD in Reading?

We expect that every child reads their reading book at least 3 times a week at home. Please find a couple of minutes to read with your child. The children are so excited about their home reading books - we have invested £5000 this term, on high quality books that the children are really enjoying.

Thank you once again for the support you give to the school and to your children it is so appreciated.

With best regards

Mrs L Martin
Head of School

Our trees...

Please do not allow your children to climb in the trees around our school grounds and on North Road. Please remind them that this is our community and we are proud of it. We are so lucky to have such lovely grounds - let's look after it.
