WELCOME BACK

THANK YOU!

10/09/21

Dear parents / carers,

We have had such a fantastic start to the new term! The children have had a wonderful week reconnecting with their friends and teachers. Thank you for helping the children's transition back to school run so smoothly.

We have been having a think about the start and end of the school day, and after listening to some of your feedback, we have decided to make a few changes. Please see below the entrances and exits we have now made available. Key stage 1 parents can now walk around the building and exit on the key stage 1 side (**see red arrows**). This will prevent key stage 1 parents having to walk back around the building. Key stage 2 parents can continue to use the long drive, drop off on the big playground and then either exit through the gate near the front office, or continue round to key stage 1 if you also have children there (**see blue arrows**). Early years parents can continue to use the entrance near the front and then use either exit.

Please note that for safeguarding reasons, the key stage 1 gate can only be used as an exit. Parents/carers will not be allowed to enter the site that way.

Thank you for your continued support and feedback. We hope that this helps to make things a little easier going forward.

Kindest regards,

L. Martin

Laura Martin
