1. Introduction

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

The Constellation Trust seeks to ensure that all pupils receive a fulltime education which maximises opportunities for each of them to realise their true potential. The Constellation Trust will strive to provide a welcoming, caring environment, whereby each member of the individual schools' community feels valued and secure.

At the core, lies an expectation that pupils will come to their school regularly and on time. All our staff will work with pupils and their families to support parents/guardians in helping them meet their legal duty to ensure that their children attend school regularly and on time.

The attendance policy and practice will ensure that children are kept safe and ensure their welfare needs are met in accordance with current safeguarding practice.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- <https://www.legislation.gov.uk/uksi/2006/1751/contents>The Education (Penalty Notices) (England) (Amendment) Regulations 2013 and the 2024 amendment

It also refers to:

- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

- Providing regular attendance reports and concerns about attendance to the designated senior leader responsible for attendance.
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher/ designated senior leader (authorised by the headteacher) when to issue fixed-penalty notices.

3.6 Class teachers

All class teachers are responsible for recording attendance for both morning by 9.00am and afternoon by 1pm sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information via Integris.

3.7 The school administration staff

The school administration staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Well-Being Co-ordinator or Attendance Lead where appropriate, in order to provide them with more detailed support on attendance

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child, this will be collated on admission. However, school needs to be informed of any changes.
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting M. Heeley – Attendance Well-being Lead, who can be contacted via the school office.

3.9 Pupils

Pupils are expected to:

- › Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity, where a pupil is attending an approved educational activity
- › The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:40am and ends at 3:20pm.

Pupils must arrive in school by 8:40am on each school day.

The register for the first session will be taken no later than 9am. The register for the second session will be taken at no later than 1pm.

Procedures for power or network failure

Should the school network or internet is disrupted, manual attendance registers will be used for either/ or morning and afternoon session. Completed registers will be returned to school office and uploaded once the issue has been resolved.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9.00am, or as soon as practically possible, by calling the school office or Mrs M. Heeley - Well-Being Co-ordinator staff, who can be contacted via the normal school telephone number.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Part time timetables

All pupils of compulsory school age are entitled to a full-time education suitable to their age, aptitude, and special educational needs. Only in an exceptional circumstance, where it is in the pupil's best interest, would a part time timetable be considered.

This intervention should not be used as an approach to manage a pupil's behaviour.

If a school is considering a part time timetable, it must have ensured it has the agreement of both school and the parent/s the pupil normally lives with.

The Designated Safeguarding Lead will have been consulted to ensure the ongoing safeguarding of any pupil whilst on a part time timetable.

If a part time timetable is authorised, the school must notify the Local Authority using the appropriate documentation. There is also an expectation that if the pupil has a social worker they will be kept informed during the process.

4.4 Lateness and punctuality

A pupil who arrives late:

- After the register has closed will be marked as absent, using the appropriate code L

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- If relevant, report the unexplained absence to other multi agencies e.g. the pupil's youth offending team officer, social worker.
- Where appropriate, offer support to the pupil and/or their parents to improve attendance.
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: Parents/Carers will be issued a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents

- Letters will be sent out half termly if your child's attendance drops below 90% or if we have any concerns about unexplained absences.
- The school will report the whole years attendance in the Summer Term, End of Year Report
- Letters will be sent out to Parents/Carers termly with an overview each child's attendance

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

The Head of school may not grant any leave of absence, including those for holidays, to pupils during term time unless they consider there to be 'exceptional circumstances'.

It should be noted that leave of absence is not a parental right.

The Trust defines 'exceptional circumstances' (for leave of absence that are not holiday) as 'being of unique and significant to the child's emotional, educational or spiritual well-being that it outweighs the loss of teaching time'

The Trust will not authorise term time holidays unless there are exceptional circumstances. This will be extremely rare and any requests must be made in writing, to the The Head of school in advance.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the The Head of school discretion.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence. The Head of school may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Head of school (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)

- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

The school's strategies for rewarding and improving attendance include:

- Weekly Attendance shared in class
- Weekly Class celebrations
- Weekly points system
- Buddy System
- Walking Bus
- Termly experiences for classes with the most attendance points
- 100% attendance assembly with parents/carers

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Where concerns arise due to attendance, the school will action its graduated approach to support parents/carers to improve punctuality quickly. This will include meetings with parents/carers, individual support plans and signposting to a range of school-based initiatives to improve attendance, such as the daily walking bus and breakfast club.

The aim of the graduated approach is to support families to improve attendance quickly through guidance and action. In working with the Local Authority's locality attendance teams, the school will be guided by elements of the ATTEND framework. Some of our pupils arrive with a history of low attendance and complex multifaceted barriers, for example: family circumstances, socio-economic challenges and mental health issues.

The ATTEND framework provides a structure methodology to help address these challenges and can help support the school's graduated response.

This will include vies of:

1. Educational professionals working within a local authority's children's workforce
2. Pupils
3. Parents or carer

7.2 Pupils absent due to mental or physical ill health or SEND

Where pupils have been absent due to mental or physical ill health or SEND, a meeting will be held with the Head of School or an appropriate senior leader, to begin the graduated response and outline a series of actions to be taken by all parties to ensure that attendance improves quickly. This will include a risk assessment and discussion around medical and/or care needs. If appropriate, a personalised health care plan will be set up to address individual needs. Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where pupils have had a lengthy or unavoidable period of absence, on return to school, a meeting will be held with the Head of School or an appropriate senior leader, to begin the graduated response and outline a series of actions to be taken by all parties to ensure that attendance improves quickly.

8. Attendance monitoring

Monitoring of attendance happens on a weekly basis. Together with the Attendance Officer and Designated Safeguarding Lead, the Senior Attendance Lead reviews attendance for all pupils and agrees a set of actions where pupil's attendance requires improvement, this may include inviting parents/carers into school to attend a meeting or actioning a personalised support plan. Further meetings review attendance on a monthly, half-termly, termly and yearly basis.

The school works in partnership with an Educational Welfare Officer, who visits the school to support with pupils where there are concerns about complex needs and/or severe absenteeism.

8.1 Monitoring attendance

The Trust will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across each school and at an individual pupil, year group and cohort level. Monitoring of codes will also take place.

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and class level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so that data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- The Trust will identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

8.3 Using data to improve attendance

Francis Askew Primary School will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence.

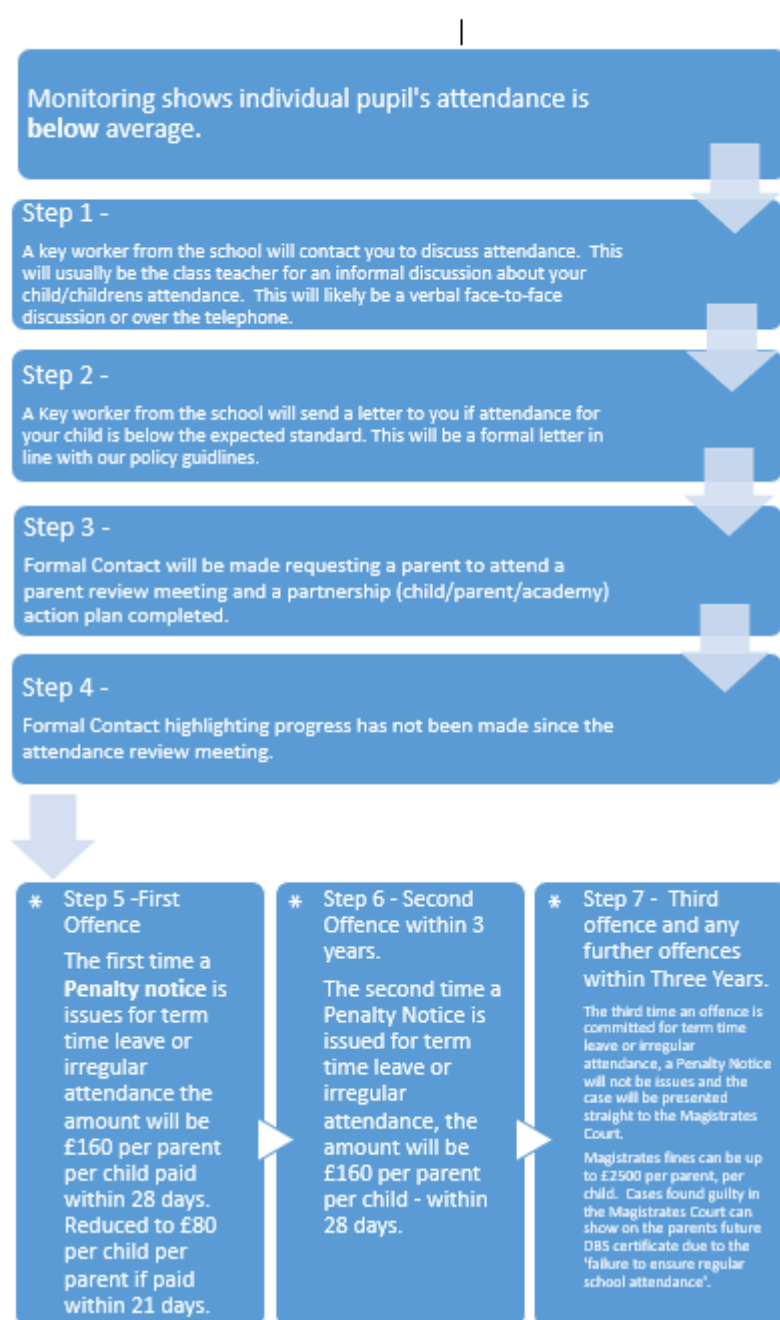

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the trust and school's strategy for improving attendance.

The [trust and school] will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Use the school's graduated approach to managing attendance to ensure that all strategies to improve attendance have been explored and discussed with families – an example can be seen below in Section 9.

9. Intervention Strategies

Flowchart of Attendance Interventions – Working within the Attendance and Punctuality Policy.

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Mrs.A.Marrow – Attendance Lead. At every review, the policy will be approved by the board of trustees and shared with the school governors.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
